State of Illinois
Illinois Department of Public Health

2014-2015 School Requirements

Parents and Caregivers

Beginning with the 2014-15 school year, all K-12 students will be required to show proof of receiving two doses of mumps vaccine and two doses of rubella vaccine. In addition, students entering kindergarten, sixth and ninth grade are required to show proof of receiving two doses of varicella vaccine.

Bring your students to your health care provider to receive all necessary vaccines, including those required for the 2014-15 school year.
