Review and sign the Conditions of Approval:

CONDITIONS OF APPROVAL

The following conditions of approval shall apply to all hospitals providing treatment services to sexual assault survivors. These conditions are enumerated below to ensure that all treatment hospitals are informed and aware of their responsibilities in accordance with the Regulations and the Act.

- 1. The hospital shall provide hospital emergency services to sexual assault survivors, with the consent of the sexual assault survivor and as ordered by the attending physician, advanced practice nurse or physician assistant in accordance with the Sexual Assault Survivors Emergency Treatment Act and with the Sexual Assault Survivors Emergency Treatment Code (see Section 545.60 of the Regulations).
- 2. The hospital shall provide emergency services at no direct charge to the survivor. If the survivor is neither eligible to receive services under the Illinois Public Aid Code nor covered by a policy of insurance, the hospital shall seek reimbursement only from the Illinois Department of Healthcare and Family

Services (HFS), according to procedures established by HFS for that purpose (Hospital Services, 89 Ill. Adm. Code 148).

3. The hospital shall submit billings to HFS on properly authenticated vouchers supplied by HFS for all eligible survivors for whom hospital emergency services were provided pursuant to its approved Treatment Plan.
4. The hospital shall maintain and preserve all survivor medical records for sexual assault survivors under the age of 18 for a period of 60 years after the sexual assault survivor reaches the age of 18. For sexual assault survivors 18 years of age or older, records shall be retained by the hospital for a period 20 years after the date the record was created.
5. The hospital shall maintain all business and professional records in accordance with acceptable business and accounting practices, and all records shall be legible. Records shall be retained for a period of not less than three years after the date of service or as required by State law, whichever period is longer, except that if an audit is initiated within the required retention period, the records shall be retained until the audit is completed and every exception is resolved.
6. The hospital shall comply with the reporting procedures for sexual assault survivors as required by Section 3.2 of the Criminal Identification Act [20 ILCS 2630].
7. The hospital shall post information in the emergency department concerning crime victim compensation to comply with the Crime Victims Compensation Act [740 ILCS 45].
8. The out-of-state hospital shall consent to the jurisdiction and oversight of the Department, including, but not limited to, inspections, investigations, and evaluations arising out complaints relevant to Act made to the Department per section 2.06 of the Act.
