Subject : GATA Pre-award Phase Implementation – Roles and Responsibilities Training

Message :

Good morning,

The below email sent yesterday at 4:49 was blocked by many agencies' servers due to the attachments included in the email. I am re-sending for awareness. Please note that today's webinar is limited to 100 participants from all state agencies as well as the grantee community. Due to the limited space, it is highly encouraged that you either, 1) wait for the recording which will be available on GOMB's website and EGrAMS, or 2) attend in groups so that only 1 person needs to login. Please see below for yesterday's email content.

Good afternoon,

As communicated last week, the Governor's Office of Management and Budget (GOMB) is offering a GATA trainings this week. Please join us tomorrow for the Pre-award Phase Implementation – Roles and Responsibilities training from 1:00pm - 3:00pm. **Unfortunately, there is no registration option being provided to the agencies for this training and logins are limited to 100 participants for the entire state. Please coordinate group sessions, where possible, or wait for the recorded version which will be provided shortly after the live webinar.**

The Responsibilities Grid Pre-award Phase is attached. Please review the Responsibilities Grid prior to the webinar.

- The PowerPoint presentation will be available for download tomorrow from the webinar site.
- Logins are limited for this webinar. Please view the webinar in groups, if possible. A sign-in sheet for group sessions is attached. Please email completed group sign-in sheets to nana.mkheidze@illinois.gov by Wednesday, 4/28.
- The webinar will be recorded and made available from the GOMB/GATA website, <http://www.illinois.gov/gov/budget/Pages/GrantAccountability.aspx>
