

Continuing Education Credits

The IDHS/DDD, as licensed by the Illinois Department of Financial and Professional Regulation to sponsor continuing education units (CEUs) for training events, is offering 5.0 CEUs to the following licensed attendees: Registered Nurse (RN), Licensed Practical Nurse (LPN), Advanced Practice Nurse (APN), Licensed Clinical Professional Counselor (LCPC), Licensed Clinical Psychologist (LCP), Licensed Clinical Social Worker (LCSW), Licensed Social Worker (LSW), and Licensed Professional Counselor (LPC).

The Illinois Public Health Association is a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing Inc. This program is a designated event for Certified Health Education Specialists (CHES) Category I CECH.

This activity is being offered for **5.0 Continuing Nursing Education Credits**. Participants must attend all sessions and complete an online post activity evaluation in order to be eligible for receipt of the CNE's.

Each person seeking continuing education credits is required to complete an online evaluation within 30 days in order to be eligible for their certificate. Certificates will be e-mailed within 60 days after the conclusion of the training to participants who have completed an evaluation.

CNE's: Questions about continuing nursing education credit should be directed to Krissy Roseberry, Illinois Public Health Association at kroseberry@ipha.com.

2017 IDPH SCHOOL HEALTH DAYS

The Illinois Department of Public Health School Health Program is Offering a Continuing Education Opportunity for School Nurses to Achieve the following:

- ◆ Learn up-to-date information about important topics in adolescent health care
- ◆ Receive updates to important policy information affecting school health personnel
- ◆ Earn Continuing Education Credits

Learning Outcome

Participants of this event will learn:

- Current school health requirements
- Receive information related to current Illinois State Board of Education (ISBE) requirements.
- Participants will also learn new and important information surrounding opioid use, infectious disease control, respiratory care, and immunizations in adolescent health and be capable of integrating this knowledge through their work in school health care settings within Illinois.

Target Audience

- ◆ Nurses working in schools
- ◆ Illinois Professional Educator Licensed School Nurses
- ◆ School Health Personnel

Registration Information

Includes: Continental Breakfast and Lunch (*Registration is limited and is on a first come/first served basis*).

Special Needs: If you have a dietary, mobility, or vision/hearing need, please call 217.524.5992.

Online Registration ONLY: Visit the Illinois Public Health Association (IPHA) website at www.ipha.com. Conference participants may choose to make their payment with Visa, MasterCard, or by check. (*Registration for each event will close 1 week prior to day of event*).

Cancellation Policy: If you need to cancel you must do so by emailing Marie.irwin@illinois.gov. A refund of all fees paid minus a \$10.00 processing fee will be given to those who cancel 10 working days before the day of the conference.

Products and services displayed in the vendor area are not endorsed by IDPH or any member of the conference Planning Committee.

Going “Green”

The School Health Program is committed to promoting and contributing to a clean and safe environment. In support of “green” efforts, we are reducing the amount of paper handouts. Speaker handouts will be made available online at www.ipha.com prior to the training. You can download the handouts to your laptop or mobile device for viewing, or you can print copies for yourself and bring to the training. No copies will
