On August 19, 2019, CVS Specialty Pharmacy will be implementing a new ADAP Center of Excellence (COE). This group will be comprised of a dedicated team of pharmacists, pharmacy technicians, benefits verification specialists, and other CVS specialty staff that are specifically designated to working with ADAP programs.

Service providers, case managers, and clients can call the ADAP Center of Excellence team directly at **1-800-498-2037**. CVS will also be adding new options to the Monroeville general phone line for callers to reach the ADAP COE team if they do not use the new direct phone line.
